BIOGRAPHY

George Granado Graham Foster Pigott was a member of the Abington Pigotts family and was elected a

Fellow of the Royal Astronomical Society in 1865. He was associated with the manor and advowson and died in 1878.

NOTES / SOURCES

The source describes him as heir to the manor and advowson from 1831, although his birth date

indicates that the wording may refer to an heirship or family role rather than immediate legal possession.
