BIOGRAPHY

Henry William Paget was a British cavalry commander who became 1st Marquess of Anglesey after commanding the cavalry at Waterloo. As head of the Paget family, he was associated with the family's Staffordshire estates, including the Abbots Bromley estate.

NOTES / SOURCES

The 1831 source names the Marquess of Anglesey rather than specifying an individual in the conveyance instrument. Later succession within the marquessate and the exact disposition of the manor require further title research.
